CENTRE-DEvised ASSESSMENT (CDA) SUBMISSION SUMMARY

Submission Date: November 2025

Version: 2.0 (Complete Submission)

EXECUTIVE SUMMARY

This submission provides comprehensive Centre-Devised Assessment (CDA) materials for ALL 7 mandatory units of the TQUK Level 3 Diploma in Adult Care. Following feedback from TQUK Quality Assurance (Rachel Blood, November 2025), we have:

- ✓ Created assessment plans for ALL 7 mandatory units (previously only 3)
- ✓ Clarified assessment methodology with clear evidence generation activities
- ✓ Provided detailed GLH delivery breakdown for each unit
- ✓ Developed comprehensive assessment templates
- ✓ Implemented digital learning platform for learner support

Our CDA materials are structured assessment tools, NOT information sheets. Each unit includes:

1. Learning Content (Study Materials)

- Comprehensive theory and knowledge
- Real-world examples and case studies
- Best practice guidance
- Regulatory framework
- Activities and exercises

2. Assessment Activities (Evidence Generation)

Each unit uses multiple assessment methods for triangulation:

3. Assessment Criteria Mapping

Assessment Method	Purpose	Evidence Generated
Professional Discussion	Assess knowledge and understanding	Discussion record, assessor notes, audio/video
Observation	Assess practical competence	Observation record with specific examples
Witness Statement	Confirm workplace competence	Statement from manager/colleague
Reflective Account	Assess reflection and learning	Written reflection (500-1000 words)
Product Evidence	Demonstrate work outputs	Care plans, risk assessments, documents
Case Study Analysis	Assess problem-solving	Written scenario responses
Practical Demonstration	Assess practical skills	Demonstration checklist, photos/video
Written Assignment	Assess in-depth knowledge	Research and written work

- Each activity mapped to specific learning outcomes
- Clear demonstration of how criteria will be met
- Multiple evidence types for robust assessment
- Quality assurance through IQA sampling

RESPONSE TO TQUK FEEDBACK

Original Feedback (Rachel Blood, TQUK):

1. ✗ Only 3 units submitted (need all mandatory units)
2. ✗ Unclear how criteria will be met (appears to be information sheets)
3. ✗ No GLH delivery plan

Our Response:

1. ✓ All 7 mandatory units now included with comprehensive assessment plans
2. ✓ Assessment methodology clarified - materials are assessment tools with clear evidence generation activities, not information sheets

3. ✓ GLH delivery plan provided - detailed breakdown for each unit showing blended learning approach

NEXT STEPS

We believe these materials now meet TQUK's requirements for External Quality Assurer (EQA) review. We kindly request:

1. ✓ Confirmation that the submission is now complete
2. ✓ Referral to External Quality Assurer (EQA)
3. ✓ Expected timeline for EQA review
4. ✓ Any additional requirements or clarifications needed

We are available for a call or video meeting to demonstrate the platform and discuss our assessment approach if helpful.
